**EXPERIENCE**

1987 - Present

**KELLOGG SCHOOL OF MANAGEMENT  
NORTHWESTERN UNIVERSITY**  
Evanston, Illinois

Clinical Professor of Health Enterprise Management and Director of Program in Health Industry Management, Kellogg School of Management. Responsibilities include:

- Overseeing program administration
- Teaching MBA students (*Healthcare Systems and International Healthcare Systems*)
- Counseling students on course work and career planning
- Designing and conducting specialized executive educational programs for healthcare companies, organizations and institutions
- Teaching the required health administration course for M.P.H students and Healthcare Quality and Safety Masters Program students, both at the Feinberg School of Medicine.

Particular areas of study are international healthcare systems, cultural determinants of the structure of healthcare systems, quality assessment, managed care and ambulatory care management.

1983 - Present

**THE MEDICAL CARE GROUP, LTD.**  
Skokie, Illinois

Co-Founder, President and managing partner of a twenty physician primary care provider group. The practice has five locations and physicians are on the staffs of five hospitals in the north and northwest Chicago suburbs. The group forms the core of an IPA that has several hundred physicians (including two academic medical centers) and numerous managed care contracts. Responsibilities include practice management and negotiating and managing managed care contracts. Practiced internal medicine 1983-2004.

- 1983 - 1986      **PROFESSIONAL HOME HEALTH CARE, INC.**  
Evergreen Park, Illinois
- Medical Director. Reviewed quality of ongoing care. Initiated and oversaw development of new programs including intravenous therapies (antibiotics, hyperalimentation and blood), respiratory care and postnatal discharge. Prepared, with executive director, proposals for joint ventures with hospitals. Secured contracts with largest hospital system in Chicago area.
- 1982 - 1983      **NORTH SUBURBAN CLINIC**  
Skokie, Illinois
- Physician. Practiced internal medicine in a multispecialty group setting. Started and managed Immediate Care Center, including feasibility study, physician recruitment and training, integration into a multispecialty group, and quality assessment.
- 1981 - 1983      **INTERGROUP PREPAID HEALTH SERVICES, INC.**  
(Division of CNA Insurance Company)  
Chicago, Illinois
- Associate Medical Director. Analyzed and adjudicated claims, developed criteria for claims review and managed quality assurance and utilization review programs. Plan was the first network model HMO in the United States.
- 1980 - 1982      **FLASHNER MEDICAL PARTNERSHIP**  
Mt. Prospect, Illinois
- Physician. Practiced emergency medicine in free standing emergency centers.
- 1975, Summer      **RHODE ISLAND GROUP HEALTH ASSOCIATION**  
Providence, Rhode Island
- Administrative Assistant. Contributed to HMO qualification data, including hospital length of stay analysis.

**ACADEMIC APPOINTMENTS**

Clinical Professor, Health Industry Management, Kellogg School of Management, Northwestern University.

Professor of Medicine, Department of Internal Medicine, Northwestern University Feinberg School of Medicine.

Professor of Preventive Medicine, Department of Preventive Medicine, Northwestern University Feinberg School of Medicine.

Visiting Professor, Schulich School of Business, York University, Toronto, Canada (2004-Present). Teach course on International Healthcare Systems to MBA students)
