Transportation (getting to Evanston):

You can take a taxi, public transportation, Airport Express, or drive. Check the following websites for maps and directions.

<http://www.northwestern.edu/campus/directions/>

<http://aquavite.northwestern.edu/maps/>

If you are taking a taxi, you may want to take a suburban cab to Evanston, as they are less expensive than Chicago cabs. 303 Taxi (888-225-5303) and NorShore Cab (847-864-7500) are two of the available suburban companies.

Getting to the Allen Center:

If you are staying at The Homestead this weekend, then it is a short walk to the Allen Center. You should have received a map showing where The Homestead and the Allen Center are; another copy is shown on the next page.

Otherwise, click this link for a campus map. The Allen Center is in the middle, on the right side of the map:

If you are taking public transportation or driving to the workshop, you can use the above links plus the campus map, or simply follow the following link for information on getting specifically to Kellogg.

Parking:

If you are unable to walk from The Homestead, we will have a few Northwestern parking passes available. However, on-campus parking can be difficult.
