Prerequisite Checklist for Managerial Anayltics Certificate

Revised 5-5-14

Students interested in applying for the Financial Economics Certificate must take prerequisite courses in the five (5) required subject areas listed in the chart below. As a rule, each requirement contains several course options. Each requirement is fulfilled when all of the courses listed in the chosen option are completed.

Notes:

1. Students do not have to complete all of their prerequisite courses by the time they apply during winter quarter, but should have completed all of them by the end of the spring quarter. Those who are accepted into the program and are still taking prerequisite courses during the spring term must receive a "B" or better in those courses to enter the program in the fall.
2. Many CPU prerequisite courses have their own prerequisites, which are set by the departments offering them. Please check the Undergraduate Catalog or the appropriate department for specifics. Courses are not always offered during the same quarter or time every year.
3. Equal consideration is given to students who take non-honors courses.
4. Most pre-req courses are offered in both WCAS and McCormick, and students may take them in either or both schools.
5. Students are required to have a combined 3.0 average or better among all Certificate Program prerequisite courses to be considered for admission.

Requirement 1: Calculus and Linear Algebra

Option 1: Regular Math
MATH 230-0 and ☐
MATH 234-0 and ☐
MATH 240-0 ☐

Option 2: MENU 290
MATH 290-1 and ☐
MATH 290-2 and ☐
MATH 290-3 ☐

Option 3: MENU 291 Accelerated
MATH 291-1 and ☐
MATH 291-2 and ☐
MATH 291-3 ☐

Option 4: ISP students only
MATH 281-1 and ☐
MATH281-2 and ☐
MATH 281-3 ☐

Option 5: MMSS students only
MATH 285-1 and ☐
MATH 285-2 and ☐
MATH 285-3 ☐

Option 6: For McCormick students
MATH 230-0 and ☐
MATH 234-0 and either ☐
a. Non Honors Engineering Analysis
GEN_ENG 205-1 and ☐
GEN_ENG 205-2 ☐
or
b. Honors Engineering Analysis
GEN_ENG 206-1 and ☐
GEN_ENG 206-2 ☐

Option 7: For McCormick students
Honors Calc. ES APPM 252-1 and ☐
Honors Calc. ES APPM 252-2 and either ☐
a. Non Honors Engineering Analysis
GEN_ENG 205-1 and ☐
GEN_ENG 205-2 ☐
or
b. Honors Engineering Analysis
GEN_ENG 206-1 and ☐
GEN_ENG 206-2 ☐

Requirement 2: Probability

Option 1:
MATH 314-0 ☐

Option 2:
MATH 310-1 ☐

Option 3:
MATH 311-1 ☐

Option 4: ☐
STAT 320-1 ☐

Option 5: ISP students only
STAT 383-0 ☐

Option 6: MMSS students only
MATH 385-0 ☐

Option 7:
IEMS 202-0 ☐

Option 8:
EECS 302-0 ☐

Option 9:
BMD_ENG 220-0 ☐

Option 10:
CHEM_ENG 312-0 ☐

Requirement 3: Econometrics/Statistics

Option 1:
ECON 381-1* ☐

Option 2: MMSS students only
MATH 386-1 ☐

Option 3:
IEMS 303-0 and ☐
IEMS 304-0** ☐

Option 4:
STAT 320-2 and ☐
IEMS 304-0** ☐

Option 5:
STAT 320-2 and ☐
STAT 350-0** ☐

* Check the Economics Department website FAQ section for information about the new Econ 381-1 prereq requirements
** IEMS 304-0 or STAT 350-0 may be taken concurrently with the certificate courses.

Requirement 4: Microeconomics (2

Option 1:
ECON 310-1 ☐

Option 2: MMSS students only
MMSS 211-1 ☐

Requirement 5: Optimization

Option 1:
MATH 368-0 ☐

Option 2:
IEMS 313-0 ☐

Option 3:
CHEM ENG 345-0 ☐
