

BUILD A FOUNDATION IN BUSINESS MANAGEMENT

THE KELLOGG MS IN MANAGEMENT STUDIES FOR COLLEGE SENIORS AND RECENT GRADUATES

BUILD ON YOUR UNDERGRADUATE DEGREE

Growth is a challenge every leader and organization confronts, and one that has always been at the forefront of our business education. At Kellogg, we develop brave leaders who inspire growth in people, organizations and markets. Students in the 10-month Kellogg MSMS Program build upon their successful undergraduate experiences and learn critical business skills that empower them in their first jobs and throughout their careers.

- Courses taught by Kellogg professors
- 12 courses over three quarters
- Program runs July – May

“It’s a challenging program, but it’s also a very rewarding program. It’s going to be the biggest stepping stone to getting you wherever you want to go.”

— SARAH DENT

TAKE ADVANTAGE OF:

- **PERSONALIZED CAREER SUPPORT AND A GLOBAL NETWORK.** As an MSMS student, you will receive personalized attention from Kellogg’s industry-leading Career Management Center. You also will become a part of Kellogg’s network of more than 60,000 alumni who form a tight-knit, responsive community that shares a passion for Kellogg and willingness to help one another.
- **MSMS + KELLOGG’S ONE-YEAR MBA PROGRAM.** After you gain your MSMS degree and enter the workforce, you can pair your degree with Kellogg’s Full-Time One-Year program to earn your MBA.
- **CHICAGO, A HUB OF COMMERCE AND CULTURE.** MSMS classes are held in downtown Chicago, putting you in the heart of the third largest city in the United States, while at the same time giving you access to dozens of museums, hundreds of theaters and thousands of restaurants.
- **INTERNATIONAL FIELD EXPERIENCE.** The Global Initiatives in Management leadership course introduces students to unique business opportunities, management practices and market dynamics of a specific country or region in the world. You will gain a unique, hands-on experience by traveling to that country or region at the conclusion of the class.
