

KELLOGG**2020-2021 Student Budget Worksheet***One-Year MBA Program*

This worksheet is provided to assist you in estimating your monthly budget and managing your available financial resources (e.g., employment earnings, assets, financial aid, and assistance from family members) for the 2020-2021 academic year. **Use the tables on the REVERSE SIDE of this worksheet to estimate your own personal budget.** You should refer to the base expense budget given below when estimating your expenses. The base monthly living expenses listed below were obtained from the "2020-2021 Standard Educational Budget" that has been developed by the Kellogg Office of Financial Aid. Your expenses may vary from the "average" base budget. Consequently, you should calculate your monthly expenses based upon your anticipated expenses for the 12-month academic year. These monthly estimates should be derived to ensure you have enough funds to complete the year. **REMEMBER, YOUR BUDGET AND FINANCIAL AID AWARD ARE FOR THE SUMMER, FALL, WINTER, AND SPRING QUARTERS OF THE 2020-2021 ACADEMIC YEAR (July 20th, 2020 – June 8th, 2021).**
