KELLOGG CARES DAY – SEATTLE

October 17, 2026

Please join us on Saturday, October 17, 2026, for Kellogg Cares Day! We will be supporting the Mid Sound Fisheries Enhancement Group by restoring the shores of the Green-Duwamish River on Orca Recovery Day. Local resident Orcas depend on healthy salmon populations for their diet. Removing invasive plants and planting native plants along river banks is one way to help salmon populations thrive! Tree canopy along rivers provides shade to keep the water cool and tree roots keep soil in place to prevent erosion from clouding the water.

Partners, friends, and/or children are welcome!
