Winter 2009

Dear Employer:

Once again, we thank you for the support you provide to the Kellogg School of Management through the recruitment of our students. The full-time class of 2008 and the summer intern class of 2009 did quite well in terms of job opportunities. This success would not have been possible without sustained interest and encouragement from the employer community.

Enclosed you will find employment statistics on both classes. I hope this information is helpful to you this year. Please do not hesitate to contact us if you have any questions or feedback about this material.

In spite of a declining economy, Kellogg students remain a highly sought after talent pool for many companies. We hope that as you gain a better sense of your hiring needs for this year, you will reach out and let us know how we might assist you. We are ready to work with you in the coming year.

All of us in the Kellogg School's Career Management Center thank you for the support you continue to provide to us, the students and the school.

Warmest regards,

Roxanne Hori
