KELLOGG ON SUSTAINABILITY

The Business of Climate Change

Kevin Self

Senior Vice President Strategy, Business Development & Government Relations
Schneider Electric

As a member of Schneider Electric's North America Executive Leadership Team, Kevin Self is responsible for the development and execution of a strategy that drives profitable growth in alignment with Schneider Electric's #LifelsOn corporate brand.

His responsibilities include leading the North America strategy development process; leading government policy/regulatory affairs efforts at the state and federal levels; and identifying new opportunities & partnerships for growth.

He serves on the boards of The Alliance to Save Energy (www.ase.org), The Advanced Energy Economy (www.aee.net), The University of Michigan Energy Institute, The University of Michigan Erb Institute and Northwestern University's Institute for Sustainability & Energy (ISEN).

Self previously held Strategy & Corporate Development roles with Johnson Controls' Building Efficiency Business, Miller Brewing Company, GE Healthcare, and McKinsey & Company.

He holds an MBA from Kellogg School of Management, and MS and BS degrees in engineering from The University of Michigan.
