2019-2020 Student Budget Worksheet

Two-Year MBA $- 1^{st}$ year students

This worksheet is provided to assist you in estimating your monthly budget and managing your available financial resources (e.g., employment earnings, assets, financial aid, and assistance from family members) for the 2019-2020 academic year. Use the tables on the REVERSE SIDE of this worksheet to estimate your own personal budget. You should refer to the base expense budget given below when estimating your expenses. The base monthly living expenses listed below were obtained from the "2019-2020 Standard Educational Budget" that has been developed by the Kellogg Office of Financial Aid. Your expenses may vary from the "average" base budget. Consequently, you should calculate your monthly expenses based upon your anticipated expenses for the <u>9-month</u> academic year. These monthly estimates should be derived to ensure you have enough funds to complete the year. REMEMBER, YOUR BUDGET AND FINANCIAL AID AWARD ARE FOR THE FALL, WINTER, AND SPRING QUARTERS OF THE 2019-2020 YEAR (September 23rd, 2019 – June 9th, 2020).
