

An aerial photograph of a city, likely Evanston, Illinois, is shown on the left side of the poster. The image is overlaid with a semi-transparent red and blue graphic that resembles a stylized map or a large letter 'C'. The red area covers the city's buildings and streets, while the blue area is a large, irregular shape that extends from the top right towards the center. The background of the entire poster is a dark blue gradient.

# Advanced Workshop For Central Bankers

September 3-10, 2019
