

Kellogg Presentations Guide 2013 - 2014

Welcome to the Kellogg School of Management!

This guide is for companies who would like to hold a presentation for Kellogg students. If you have questions that are not answered here, please contact your Industry Relationship Manager.

Presentations – Signup begins June 4th at 11:00 am central time

Please note: If you are new to Kellogg's recruiting we strongly recommend attending a Kellogg Networking Night (KNN) rather than holding a presentation. Information on these events can be found [here](#).

Both on-campus and off-campus presentations should be scheduled with your Industry Relationship Manager.

Presentations, once scheduled, are advertised on the Kellogg Web site. You may send one poster (not larger than 16" x 22") to be displayed two weeks prior to your event. Any extras will be discarded. At the student's request, we do not stuff student mailboxes with flyers.

Scheduling

To schedule a presentation please complete a Presentation Request Form via the Kellogg Career Management System found [here](#).

This does not guarantee the date you are requesting as it may conflict with other presentations or club events already scheduled. Based on your interview date, please pick a presentation date within the recommended time frame (check the Recommended Date Chart on the following page).

Each company is allotted one hour on the presentation calendar without competing companies holding conflicting (same industry and/or function) presentations. Date and time requests are handled on a first-come, first-served basis.

If the dates/times you request are not available, we will schedule you into the next available slot on our calendar. **Please indicate on your form which is most important to you: being on campus or booking one of your requested dates.**

Guidelines/ Policies/ Notes

- **Second-Year Only Presentations:** Due to constraints to the Kellogg calendar and decreasing attendance at 2nd-year-only presentations, these events will only be approved for companies who have a successful recruiting history at Kellogg or who conducted successful second-year-only presentations last year. For all other companies, we suggest attending one of our [Kellogg Networking Nights](#) in lieu of a formal corporate presentation
- Lunch presentations are scheduled on Mondays, Tuesdays, and Fridays at 12:15pm.
- Evening presentations are scheduled, Mondays through Thursdays at 5:15pm and 7:00pm. 5:15 presentations can be held on- or off-campus. 7:00 presentations are never held at the Jacobs Center. You must book your own off-site venue.
- For off-site presentations, companies must arrange, cancel or change their events with the appropriate facility contact person after confirming a date and time with your Industry Relationship Manager.
- If you are planning to do an off-campus presentation, we ask that you not schedule a location until the date/time has been confirmed by the CMC in case the requested time or date is not available.
- Catering is handled by the company. For Jacobs Center presentations, food can be eaten but not set up inside the classrooms. We will have a table outside the room for food. *When choosing your food, please remember that many Kellogg students are vegetarians.*
- For Jacobs Center presentations, companies will have only **one hour** in the room due to classes before and after presentations. This includes set-up, presentation and clean-up.
- Your presentation may last no more than one hour. We recommend 15 – 30 minutes of company/job information and 30 – 45 minutes of Q&A/networking.
- **If you have on-campus interviews, please be sure to consider the resume submission and/or closed list due date when selecting presentation dates.**

Step-by-Step Instructions

1. Signups begin at 11:00 AM CDT on Tuesday, June 4th, 2013.
2. Fill out and submit the Presentation/KNN Request Form via the Kellogg CMS.
3. An Employer Relations team member will email you to confirm the date and time of your presentation within 3 weeks.
4. If your presentation is off-campus, once the date and time has been confirmed by our office, find a location for your event and notify your Industry Relationship Manager.
5. Set up catering for your event. *Please remember that many Kellogg students are vegetarians.*
6. Two weeks prior to your event you may send one poster advertising your event. You may also wish to contact the relevant [student industry clubs](#) to see if they are able to include information about your event in their weekly newsletter.
7. A few days before your presentation, ship materials **to the location where your presentation is being held**. Boxes should be clearly marked “hold for presentation” with the appropriate date and company name. For Jacobs Center presentations, we can hold up to 3 *medium-sized* boxes for your event. For all other locations, contact the venue for shipping information and space limitations. Jacobs Center address is:

Kellogg School of Management
2001 Sheridan Road
Corporate Interview Ste. – Room 280
Evanston, IL 60208
Attention: (*your Industry Relationship Manager*)

On-Campus - Donald P. Jacobs Center

If you are planning to hold your presentation in the Jacobs Center, please note:

1. Your company representatives will not have access to the room until 5:15 pm (or 12:15 pm for lunch presentations) and must be completely out of the room by 6:15 pm (or 1:15 pm for lunch presentations).
2. Small receptions may be held in the hallway outside the classroom after the presentation, as long as the volume is not disruptive to the class in progress.
3. Food is not allowed in the rooms but can be set up in the hallways. Beer and wine is allowed however students rarely consume alcohol at recruiting events. *Please remember that many Kellogg students are vegetarians*
4. We will provide a table outside your room for catering. Please inform your caterer that limited table space is available and that the hallways do not have access to electrical outlets.
5. Room numbers will be assigned by your Industry Relationship Manager
6. The largest classroom available for presentations holds approximately 90 students. If you anticipate your attendance will be larger, please consider using an off-site location.
7. We do not have the ability to store large numbers of boxes for presentations at the Jacobs Center. If you feel you will need to send more than 3 *medium-sized* boxes for a presentation, please consider using an off-site location.
8. Boxes may not be sent more than 3 days prior to your event.
9. Parking is available without a visitor's permit after 4:00 pm. Prior to 4:00 pm, we recommend public transportation as it is extremely difficult to find parking near the Jacobs Center. If you are holding a 12:15 presentation and need a visitor permit please contact your IRM two weeks before the event to allow enough time to mail a parking pass along with a map showing the remote lot (3-4 blocks away) where visitor parking is permitted.
10. Although there will be a CMC staff member available at the beginning of your presentation to help with set up, there is no CMC staff present after 5:30 pm.
11. The following is available in every classroom:
 - a. Laptop hook up
 - b. Screen
