**Academic Policies**

**Class Attendance**

Students are expected to attend all sessions of courses for which they are registered.

Exchange students should not book any flights for trips within the module (e.g. weekend trips) prior to getting to Sasin since course timetables may change suddenly.

**Course Registration**

We will ask you to register for your courses closer to the module start. You are still able to add or drop your courses within the first week of the module.

*Note: Sasin does not have a textbook/course material return/refund policy. So students should not purchase textbook/course materials until they are definitely sure that they will not drop the course.*

**Course Load**

Sasin students take two courses per module. Exchange students can take first or second year courses. Each course is usually worth 3 Sasin credits which is 33 contact hours (including exam hours).

**Visa Information**

Getting your Entry Document and Visa

To enter Thailand, you need to obtain a visa by presenting the letter issued by Sasin and other necessary documents to the nearest Royal Thai Embassy or Consulate. The visa granted to an exchange student is usually a single or multiple-entry student “ED” visa valid for three months or less. If you have a single-entry visa and wish to travel outside of Thailand during your stay here, you must apply for a re-entry permit before leaving Thailand so your student visa will not be terminated.

How to apply for a Re-Entry Permit

If you want to leave Thailand, students with a single-entry visa must apply for a re-entry permit to the Kingdom of Thailand at the Immigration Bureau before you leave the country. Students have the option to apply for a single or multiple permits. The fees* are 1,900 Baht for a single permit and more for a multiple permit. The applicant or passport holder must go in person and fill out the TM.8 application form. Do not forget to bring your passport, photograph (4 x 6 cm) and application fee. The application fee is not refundable. The Student Affairs Office can give you information about the nearest Immigration Bureau or you can get the re-entry permit at the airport.

*Note: Fees are subject to change. Immigration Bureau: [http://www.immigration.go.th](http://www.immigration.go.th)
**Health Insurance (Required)**

We require all exchange students to purchase Thai (accident) insurance through Sasin while on exchange at Sasin. The estimated cost* is the following:

- One module = approx. 2,409.00 Baht
- Two modules = approx. 4,882.00 Baht

*Important: Exchange students will have to make the payments at the hospital first and get reimbursed later. Exchange students will need to provide the insurance company with the payment receipt and doctor’s report to get reimbursement.

*Note: Insurance cost are subject to change.

**Accommodation**

**On-Campus Housing**

The Sasa International House, located within a 3-minute walk from Sasin. Room rates are 1,800 baht per night/room or 40,000 baht/month* (includes room cleaning service). Due to the limitation of vacancies at the Sasa International House, we suggest you to make a reservation through e-mail: sasahouse@sasin.edu.

*Note: The monthly rate will start on the first day of the month so if you come in the middle of the month, it might be cheaper to pay the daily rate.

**CU iHouse – Chulalongkorn U.** a short walk from Sasin. They have a monthly rental but are very strict on the contract e.g. if you state that you will stay for two months then you will have to pay for two months even if you ended up staying for one month. They will also not return your deposit if you decide to stay less than your contract. You will have to pay in cash (they do not accept credit cards). The daily rental rate is 1,000 baht/room/night and the monthly rate is 14,000 baht/month (twin room – 2 beds). When you check-in, you have to make a two-months room deposit and one-month rental fee so a total of 42,000 baht. They will return the two-months deposit after you check-out (as long as you stay the full contract).

*Note: They do not provide bath towels or bedding items such as bed sheets, blankets, and pillowcases. Our Sasin Student Affairs Office can take you to a low-priced supermarket (Tesco Lotus) nearby CU-iHouse to purchase these items when you arrive. As this similar to a dorm, the student floors are split to female or male floors.

**Off-Campus Housing**

Exchange students have enjoyed staying at service apartments that are 20 minutes walking distance away from Sasin or a short taxi ride from Sasin. Contact our office for more information at studentaffairs@sasin.edu.

*Note: Do not stay at “Court Capri” also known as “Capri Court”– our exchange students had problems there and the place is not a reliable place to stay at. Sasin and Sasin staff cannot guarantee assistance with legal matters or disagreements between exchange students and housing units.*
