BE A LASTING LEADER

THE EXECUTIVE DEVELOPMENT PROGRAM AT SPRING / FALL KELL OGG
Kellogg Executive Education prepares rising leaders with the skills, dexterity and confidence to address today’s unique business challenges.

What we teach is more critical than ever. Agility and rigor. Resiliency and resolve. Empathy and analysis. These capabilities help you meet the pace of change — and find fulfillment in your work — for the rest of your career.
Our Executive Development Program (EDP) trains high-performing managers to become successful leaders. You’ll learn what it takes to guide organizations through uncertainty and disruption, from general management fundamentals to topics at the forefront of modern strategy.

It’s how to anticipate what’s ahead and respond with confidence. To meet the highest expectations, in your next role and beyond.
Helping modern organizations thrive demands a new kind of leader. One who can draw on a complete set of capabilities — contemporary business insight and broad cross-functional perspective — to guide forward progress.

EDP trains this leader. You’ll learn from our elite faculty how to harness empathy to break down silos, use storytelling to drive engagement, and learn how values-based leadership can inspire the courage to move your business where it needs to go.
“A fast-paced and fun-filled three weeks of learning, networking and reflection. Material and instruction were outstanding. A top life experience that will pay dividends for years to come.”

DIRECTOR, HEAD OF U.S. AND CANADA ACCEPTANCE, DISCOVER GLOBAL NETWORK

Navigate from a higher perspective.

This program helps you see the full set of functions that sustain healthy organizations. You’ll learn how core disciplines are strategically linked, and gain a deeper understanding of the challenges that shape the thinking of top leaders. By seeing the big picture, you’ll gain the acumen to anticipate hidden obstacles and add value with every decision you make.

Nail your next leap forward.

Whether you’re moving from middle management to senior leader or beyond, Kellogg EDP prepares you with the training and support to thrive. You’ll practice the language of leadership so you can confidently work alongside seasoned executives. And you’ll master techniques you can use to make an immediate impact.
Kellogg EDP provides the most comprehensive general management overview. It’s a unique balance of business school essentials and emerging topics — from digital transformation to design thinking.

You’ll learn how to connect the critical dots that make a business run, and you’ll practice the leadership strategies essential to guiding modern workforces.

“Highly impressive program that rolled out top thought leadership from across fields. Information was urgently relevant and actionable. Good as a refresher and a deep look at the latest research and global considerations.”

MANAGING DIRECTOR, DELoitTE CONSULTING

EXPAND YOUR KNOWLEDGE.

You’ll learn how to connect the critical dots that make a business run, and you’ll practice the leadership strategies essential to guiding modern workforces.

REALIZE YOUR POTENTIAL.

EDP brings talent from across the world together in-person on our scenic Evanston campus.

You’ll learn general management principles and leadership strategies through timely case studies, active discussion, and team-based project work. Focused time on campus allows you to pause and immerse yourself in a transformative learning experience without distraction.

“The EDP program has helped me become my best self through the pursuit of value-based leadership and the diligent practice of self-reflection. The program has shown me new ways to improve my quality of life and enable the sustainable growth of my organization.”

CFO/HEAD OF FINANCE AND ADMINISTRATION, KOSTAL GROUP
Special Program Features

Woven through the program, these special features bring participants together in meaningful, skills-based learning experiences.

Perspectives From Industry

In addition to our renowned faculty, the program features industry speakers immersed in current business challenges and opportunities. Speaker topics have ranged from Six Steps in Crisis Communication, to Decoding China, to Digital Transformation in Healthcare.

Build Executive Presence

Dedicated sessions will help you build your message up, down and across your organization. Leverage skills in communication, persuasion and presentation. Interactive and experiential group work based on the arts is interspersed throughout the program, outside of class.

Create Blueprints for Innovation

Engage in a rigorous, fast-paced workshop where you’ll build action plans for implementing innovative practices throughout your organization. Learn why innovation is a messy — and necessary — practice.

Leadership Coaching Package

To enhance your EDP experience, Kellogg offers an optional leadership coaching program for an additional fee. You’ll work one-on-one with a Kellogg leadership coach to set personal goals and explore situation-specific leadership strategies. On-site coaching sessions occur during the early mornings, lunchtimes or evenings.

Please note: This is an add-on module and not part of the general program content.

Admission Criteria
The admissions committee reviews each application and the nature of the applicant’s responsibilities. For the benefit of participants, sponsoring organizations, and the integrity of the program, the committee strives to admit individuals with diverse skills and experiences and who meet the qualification criteria outlined on page 8.

Kellogg expects that participants will attend all sessions, immerse themselves in the experience and be free of all other obligations while the program is in session.

Strong English reading, listening and speaking skills are required. It is expected that participants can read through an ambitious curriculum of business materials and meaningfully contribute to classroom and small group discussions.

Sponsorship
To enroll in the Executive Development Program, you may choose to have a sponsor from your organization who is familiar with your background and motivations for attending. This could be the person to whom you report, your organization’s chief human resources officer or the person responsible for management development in your organization.

Should you be interested in self-funding your participation, please reach out to Kellogg’s Executive Development Advisor for this program to discuss options.
