KELLOGG ON SUSTAINABILITY

The Business of Climate Change

Anton Gorodniuk

Sector Analyst, Financials

Sustainability Accounting Standards Board (SASB)

Anton Gorodniuk leads standards development for the Financials sector at SASB. His role is centered around research, and engagement with corporate entities and investors to inform decision-usefulness and technical robustness of the standards' content.

Gorodniuk comes from finance and business management background, and has an MBA in Capital Markets from the University of Alaska, Fairbanks and a Bachelor's degree in Real Estate Management from St. Petersburg State University of Engineering and Economics in Russia. He is a CFA Charterholder.

Prior to joining SASB in 2013, Gorodniuk conducted equity research on selected financial services companies at Allianz Global Investors in San Francisco as well as quantitative analysis of hedge fund strategies at Crestline Investors, a fund of funds in Fort Worth, Texas.
