You will see the "New Submission for IC2S2" page

Requirements:

The submission should include a list of authors and their affiliations, with a minimum of one designated corresponding author, a title, an abstract summary paragraph, a list of 5 keywords, and an extended abstract with at least one figure formatted as a PDF file no larger than 20M.

1) Input Author Information:

For each of the authors please fill out the form below. Some items on the form are explained here:

- Email address will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for authors who are not corresponding. These authors will also have no access to the submission page.
- Web site can be used on the conference Web pages, for example, for making the program. It should be a Web site of the author, not the Web site of her or his organization.
- Each author marked as a corresponding author will receive email messages from the system about this submission. There must be at least one corresponding author.
